### GATEWAY TO KNOWLEDGE COMMUNITY

A dynamic and progressive school system characterized by the inherent care it takes of its scholars and thereby of their future, nurturing them in a student-specific manner. At The Hamilton Academy, we provide a unique platform of research and discovery, thought and insight, analysis and synthesis, exploration and creation to its students. We understand the requirement to meet the manifold needs of wisdom seekers - such as the intellectual, emotional, spiritual and disciplinary ones. We aim to provide a holistic schooling by amalgamating diverse cultures under one roof while inculcating the spirit of togetherness among the children. Our skilled manpower is equipped to provide quality education and infuse value based system in children for making them leaders for a better tomorrow. The management is equipped with years of understanding and experience in the field of education. Already having established our self as a trusted institution in our existing venture Abc Public School, Gorakhpur, we aim at providing quality education not only in Lucknow but many more cities of Uttar Pradesh in future.

### Vision

Inculcating the spirit of learning and inquisitiveness with an aim to infuse a new level of intellectuality, expand the horizons of imagination and create sensible individuals and responsible global citizens for tomorrow

### Mission

Our aim is to bring the global approach in education sector in Uttar Pradesh with our updated curriculum at par with the international norms and standards and meticulously fine-tuned to meet the needs of our time and place

### FROM THE DESK OF CHAIRMAN

#### Namaste!

In The Hamilton Academy, we have tried our best to develop for your child a premium institution with a focused mission to inculcate the spirit of lifelong learning and empower them to respect and embrace culture and philosophy of other well-performing countries for their holistic development and expansion of the fabrics of their imagination, thought process and creativity. Standing true to our vision of providing multi-dimensional foreign education programmes to instill global approach of learning is one of the primary objectives of our institution.

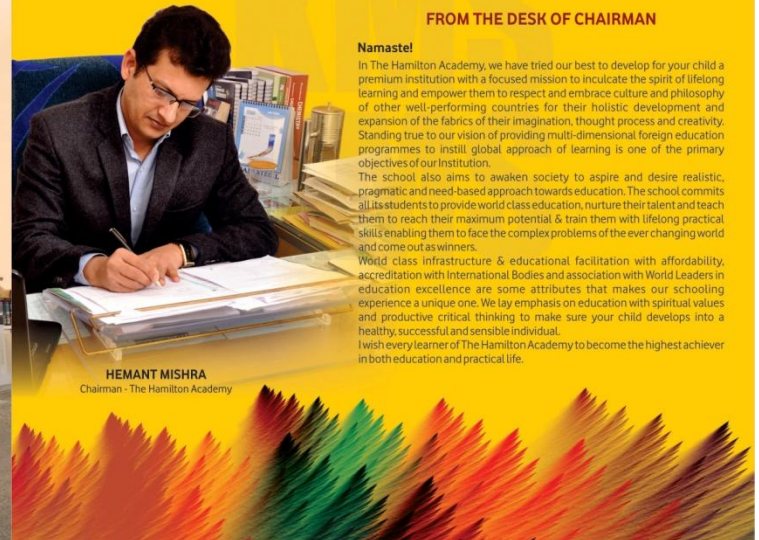

The school also aims to awaken society to aspire and desire realistic, pragmatic and need-based approach towards education. The school commits all its students to provide world class education, nurture their talent and teach them to reach their maximum potential & train them with lifelong practical skills enabling them to face the complex problems of the ever changing world and come out as winners.

World class infrastructure & educational facilitation with affordability, accreditation with International Bodies and association with World Leaders in education excellence are some attributes that makes our schooling experience a unique one. We lay emphasis on education with spiritual values and productive critical thinking to make sure your child develops into a healthy, successful and sensible individual.

I wish every learner of The Hamilton Academy to become the highest achiever in both education and practical life.

HEMANT MISHRA

Chairman - The Hamilton Academy

## CURRICULUM

The educational structure of 'The Hamilton Academy' is based on I.C.S.E. (Indian Council for Secondary Examination) and I.S.C. (Indian School Certificate), New Delhi Standards.

'The Hamilton Kids' is the preschool division of The Hamilton Academy. It's state of the art facilities, experienced staff and curriculum adds value to the future of our young learners. The preschool curriculum is based on multiple-intelligence prompting setup and the teaching has been developed as a combination of montessori, play-way, and experiential learning approach and high scope philosophy.

The I.C.S.E. program in the 8th Grade envisions preparing students for the secondary school program. The assessment and curriculum for 9th – 12th grade provides an additional edge to the skills & academic excellence and to MAKE SURE THEY HAVE AN EDGE OVER THEIR FELLOW COMPETITORS IN THE UPCOMING COMPETITIVE EXAMS they have to take, to come out in flying colours.

Our curriculum is designed to provide a harmonious all-round development to your child and "Excellence through Self-Motivation". Apart from academics we are committed to provide extra-curricular activities to young scholars through varied cultural & sport activities to develop their overall personality.

## A PROMISING FUTURE FOR YOUR CHILD

### FOREIGN PROGRAMMES

'The Hamilton Academy' is not just a regular school for your child, but an establishment which will set up your child for his/her future prospects. At 'The Hamilton Academy' we provide your child with varied educational opportunities and foreign exchange programmes with countries like France, Britain, America, England and Australia

- Young Learners' Workshops by the British Council
- Young Achiever's Soft Skill Based Course by the British Council
- National Middle Schooling Project by the Government of Australia
- OCSA Oxford & Cambridge Summer Academic Programme
- Social & Skill Development
- Erasmus Plus for Vocational Education
- Primary & Secondary School Programmes for Languages with the British Council

## INFRASTRUCTURE & FACILITIES

The Hamilton Academy provides your child a campus that is designed to facilitate the needs & demands of growing children. It is an educational space that is modern in its architecture & well equipped with the latest technology.

Hence, students will be availing a campus that is fully air conditioned with spacious class rooms along with an access to:

- Mathematics, Science, Computers, Language Labs
- Library Equipped with Electronic Documentation
- Music, Dance & Fine Arts Studio
- Wi-Fi Enabled Campus
- In Campus Healthcare Facility by Practicing Doctors and Nurses
- GPS Enabled Transportation Facility
- Safe & Secured Campus

## LET YOUR KID EXPLORE

## CO-CURRICULAR ACTIVITIES

Co-Curricular activities are of paramount importance in building the overall personality of a child. Inter-personal relation skills, confidence, poise and reliability are some of the qualities that are developed in a child through co-curricular activities. Hence, such activities are essential in the school programme.

These activities include debates, elocution, art and craft, general knowledge quiz, singing, dancing & physical training. We shall also be holding fortnightly sessions/ workshops of interaction with over-achievers and highly successful people, officers at consequential posts in the administration and technical experts in fields like CIVIL SERVICES, MEDICAL, ENGINEERING, ARTS etc. to better equip and prepare our students for the life beyond schools.

## THE HAMILTON ADVANTAGE

Giving importance to education as well as recreational aspects of the students with certain prospects such as:

WORLD CLASS INFRASTRUCTURE & EDUCATIONAL FACILITATION WITH AFFORDABILITY

MAGICAL BLACK BOARDS WITH AUDIO-VISUAL AIDS AND INTERNET ACCESS TO GIVE A HOLISTIC UNDERSTANDING OF THE TOPIC TO THE STUDENTS

ACCREDITATION WITH INTERNATIONAL BODIES

ASSOCIATION WITH WORLD LEADERS IN EDUCATION EXCELLENCE

PARENT-TEACHER GROUP EVERY MONTH

CHILDREN FUTURE MAPPING EVERY MONTH

CAREER COUNSELING EVERY MONTH

SEMINARS EVERY MONTH

A regular and meaningful communication between the school and home is necessary and therefore encouraged. This is how The Hamilton Academy stands out as unique and most advantageous institution in Lucknow (Uttar Pradesh).
